

## Bethel Soccer Camp

The purpose of the Bethel Soccer Camp is to encourage the skill development of soccer players in an affirming environment. The fundamental skills (dribbling, passing, shooting, defending, heading, etc.) will be covered by experienced clinicians who will encourage each player's development. This camp will be a great opportunity for players to fine-tune their skills for the fall soccer season.

Each session will end with a brief devotion and prayer. Although the faith of the coaching staff will be evident, our goal will not be to evangelize the players who participate, but rather to model God's love through service and positive role models.

## Support Local Soccer & Third World Economy

Participants in the soccer camp can feel good knowing that while they are developing their soccer skills, they are also developing local soccer and third world lives. Beyond expenses to run the camp, registration money is used to support...

- **The West Liberty Soccer Association:** to provide and/or assist with the purchase of new or additional equipment.

- **Fair Trade Soccer Balls:** the balls purchased for the players come from Senda, a fair trade certified, top quality soccer distributor. They ensure that all workers in the supply chain – factory workers and stitchers – receive at least the national minimum wage; that there is no child labor involved in production; & that the health & safety of workers is safeguarded.
