Ohio Conference Call to Prayer

Please be in prayer in the next few weeks for the Ohio Conference Annual Conference Assembly, March 13-14, 2015, at Martins Creek Mennonite Church.

Please pray:

- For the planners and organizers as they work at the final preparations and last-minute details.
- That the needed table leaders will come forward so that each table group will have a facilitator.
- For leaders and presenters as they prepare for worship, business sessions, workshops, poster sessions, and times of fellowship — for all participants, that this year's ACA will be filled with the creating/re-creating presence of God; the loving, peaceable presence of Jesus Christ; and the mighty and sustaining presence of the Holy Spirit.

In addition, please pray:

- For the cluster meetings that have taken place and will continue to prepare delegates for ACA. Pray for those who attended cluster meetings as they find helpful ways to share what they learned with their other congregational delegates.
- For the Leadership Team as they meet to prepare a resolution for delegate consideration.
- For the six congregational pastors from our conference who are preparing brief sermons on our conference theme.
- With gratitude for those persons who will be completing their service to the Conference on various committees.
- For wisdom and guidance for those persons who will be assuming or continuing in Conference assignments during this new Conference year.
- For all the delegates as they deliberate on the work of Ohio Conference during this past year and plot a Holy Spirit-led direction for this coming year.

Please consider sharing these prayer requests in your congregation's bulletin or newsletter.
