Gifts Discernment Form – 2015

Revised for APEST Restructure

At our congregational business meeting on Sunday, May 3, 2015; the restructure committee shared a revised restructure plan that incorporates the Fivefold Ministry (or APEST from Eph. 4) into a re-imagined elder team. On the whole this impacts our council structure most directly leaving the other positions essentially as they have been.

A two year trial of the restructure was overwhelmingly approved by those present at the meeting. As such the Gifts Discernment Committee, chaired by Doug Steiner, is in the process of gathering additional information for the discernment process. Below is a revised version of the Gifts Discernment form for this year.

If you have not already filled out a form for this year... please prayerfully complete the form below.

If you have already filled out a form for this year... your previous discernment will be shared with the committee. Please be sure to complete the APEST portion below and feel free to submit additional discernment.

Please submit completed forms to Tesa by Sunday, May 31st.

STEP ONE: Complete the Fivefold Ministry Inventory

If you have internet access, go to <http://fivefoldsurvey.com/> and take the inventory found there. As you take it, remember the following...

1. Go with your first impression. Don't over think it.
2. For better results, avoid choosing the middle option.

Contact Pastor Dave for assistance if you do not have internet access. *We would request that everyone take this survey and submit their results regardless of their openness to filling a position at this time.* Once completed, please fill in your inventory results below...

STEP TWO: Consider Position Openings

Prayerfully review the following list and check positions that you may be called to serve in. Also prayerfully consider the remaining open positions and who among us is gifted and may be called to serve in those positions. List those names on the line provided.
