ANNOUNCEMENTS

The transitional prayer team is suggesting that the Bethel family makes personal Paul's prayer from Ephesians 3:16-20. Pray that God may strengthen us with power through His spirit in our innermost being so that Christ may dwell in our hearts through faith. Pray that we being rooted and established in love, may have power, together with all the saints to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge--that we may be filled to the measure of all the fullness of God. May we give God the glory as He is able to do immeasurably more than all we ask or imagine according to His power that is at work within us. NIV
